

Make The Honor Roll With Maxell's K-12 Program.

Maxell's OneVision Kids Program is focused on the needs of K-12 customers. Maxell provides a quality projection solution for every application on campus, and the OneVision Kids Program provides educators with specialized pricing, premium warranty, enhanced service, and direct access to Maxell experts.

Maxell Expertise

Maxell Direct Access

At Maxell, we believe in partnerships with our customers. As a member of the OneVision Kids Program, your organization will have direct access to dedicated Maxell sales and service specialists. Your Maxell specialist can arrange onsite demonstrations, provide evaluation units, and consult with your team on current and future projects.

Maxell Communication

OneVision Kids Program members will receive product and program updates, and access to specialized promotions on a regular basis.

OneVision Pricing Specialized Pricing

Maxell projectors and accessories are priced specifically for K-12, whether buying one or many, and are available through your Preferred Maxell resellers.

Supplemental Warranties

5-Year Projector Warranty on Select Models

OneVision Kids Program members will enjoy complimentary 5-year warranty support and service on qualifying projector purchases.

Extended Light Source Warranty

OneVision Kids Program members receive a complimentary extended light source warranty on eligible models.
